The Passion of St. John the Baptist

Dear Sisters and Brothers in Christ,

I am writing to share with you an update on the 2025 Lenten Collection. To date, we have received a total of \$89,825.73 from our parishes to be allocated to agencies serving our vulnerable populations. I want to thank you for your generosity towards “the least of these” (cf. Matthew 25:40) as our community needs continue to evolve and grow. Our finance department has rounded the total to \$89,800 to make distribution easier. The remaining funds and any additional donations received in 2025 will be rolled over to the 2026 collection.

St. Paul’s Great Hymn to Charity (cf. 1 Corinthians 13:1-13) reminds us that even our most noble endeavours come to nothing without love. Animated by this Christian love that honours the inherent dignity of the stranger and demands radical hospitality, the Lenten Committee sought to prioritize agencies that are providing immediate relief to those who are experiencing deep material and spiritual need in our communities. As in past years, agencies assisting with food insecurity, pregnant mothers, disadvantaged youth and the unhoused were identified as recipients for donations in 2025. Human trafficking was also identified as a new priority during this collection cycle.

When I look upon the continued generosity and service of our faithful, I see “pilgrims of hope” on the move. This hope, born from a deep love of God, rooted in the promise won by the death and resurrection of Jesus, and constantly renewed by the Holy Spirit, is salt and light to a weary world. In this jubilee year of hope and beyond, continue to “[l]et your light shine before others, so they may see your good works and give glory to your Father in heaven” (Matthew 5:16).

Please see the attached document for the list of agencies selected for the 2025 collection.

Yours in Christ,

+Michael Mulhall
Archbishop of Kingston
